Oklahoma City Spark Names Home Field

Oklahoma City --- The Oklahoma City Spark is excited to name Oklahoma City's Hall of Fame Stadium as its official home field for the 2023 season. The Spark begins play in June in the Women's Professional Fastpitch (WPF) league.

"Hall of Fame Stadium is a perfect fit for the Spark. We had great conversations with USA Softball and knew getting the opportunity to play at Hall of Fame Stadium would allow maximum growth for the sport and OKC. I speak for the entire Spark organization when I say that we couldn't be happier with this announcement." Tina Floyd, Team Owner/General Manager

Ticket information will be released on okcspark.com as soon as the schedule has been finalized.
