### **Oklahoma City Spark Mascot Contest**

Oklahoma City, OK --- The Oklahoma City Spark is asking for help in creating and naming the official Spark mascot.

We want the community to be a part of this groundbreaking idea. This mascot will represent the team and Oklahoma City for years to come, so we feel getting input from the best softball fans is ideal. Old Hat Creative, official marketing firm of the Spark, is eager to receive submissions for this contest, and we all look forward to seeing the ideas.

Winning submission(s) will receive an OKC Spark prize pack and a VIP experience at the game when our new mascot is unveiled. There's no limit on submissions so keep the ideas coming!

Deadline for submissions is February 28, 2023. Please visit [www.okcspark.com/mascot](http://www.okcspark.com/mascot) to enter your submission.
